Rev Mr Robinson Hudson March 17th 1836

Dear Sir

I am happy to learn from yours of the 25th Jany that the $420 draft reached its destination safely — Mr Humphrey has been absent most of the time since at court in the adjoining counties, & I have therefore been unable to see him & consequently to answer the enquiries in your last letter. I have just ascertained from him & now proceed to communicate to you, that he will pay up in full by the 1st of May — that your wife need not sign the deed — & that it may be acknowledged before a Justice of the Peace — Will you have the goodness therefore to forward to my address the deed & I will send as soon as it is received the amount due in a draft as usual and ~~soon as~~ likewise an account current &c

The deeds you speak of I have not yet sent to your brother at New Haven, but shall improve the first proper and safe opportunity that offers to do so by private conveyance — In haste

Very Respectfully Yours &c
